

## 7 Gallon Mini Recycle Bin

Compact recycle bin perfect to use in any recycling program.

## 7 Gallon Mini Recycle Bin

This miniature recycle bin is perfect for collecting recyclables at home, work or school. Compact design makes it easy to place in any small space. It also makes a perfect addition in residential curbside programs for separating speciality materials like glass containers. Sturdy design made from durable high density polyethylene makes this container durable and easy to clean.

### FEATURES:

- Made from high density polyethylene (HDPE)
- Measured volume at 7 Gallons or 27 Litres
- Compact design is perfect for use in homes, schools or offices
- Identical design to standard curbside recycle bins but uses less floor space
- Compatible with Nova's saddle tote to create a desk side recycling station
- Custom colours available
- Custom imprinting available
- Lid also available
